

We are a local, family run catering business who loves celebrating life's events with our friends, family, and customers. From weddings, reunions or birthday parties, to fish frys and burgers, no event is too large or small for us. We strive on preparing delicious and affordable food which has been the main ingredient to our success.

Our name says it best- On the Geaux is literally on the move! We come to your event, cook on site to ensure that you have the freshest food possible. We pride ourselves on serving home cooked, made from scratch items, something you won't find very often.

Even though our fried fish and jambalaya have become our signature items, we offer it all from BBQ to Mexican and everything in between. From our homemade tartar sauce to smoked pork loin, we have a delicious menu that will satisfy anyone's taste buds!
